Boatwright WMA General Information

Boatwright WMA Information:

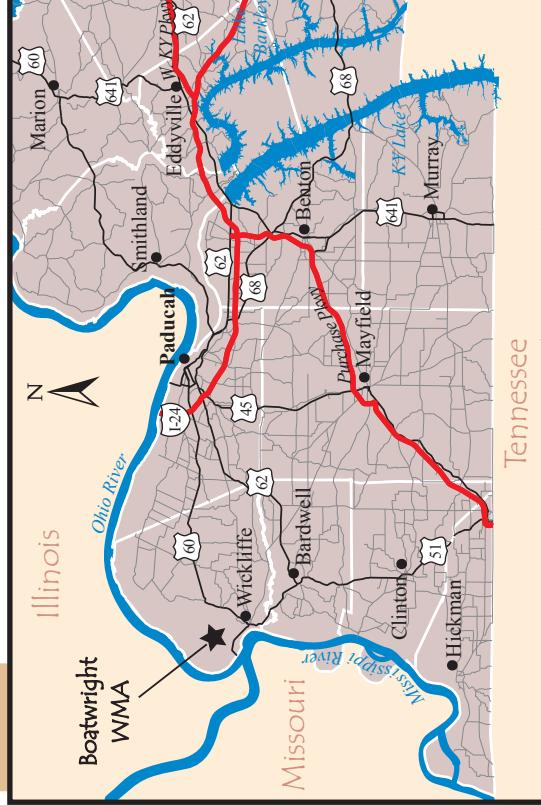

The Boatwright Wildlife Management Area is located in Ballard County near the confluence of the Ohio and Mississippi Rivers. This bottomland area consists of marshes, cypress swamps and oxbow lakes and is prone to seasonal flooding; large portions of the WMA may be underwater in the winter. Game species thrive here, as well as wintering ring-billed and herring gulls, double-crested cormorants, waterfowl and bald eagles. The Swan Lake Unit serves as a waterfowl refuge from October 15 through March 15 and is closed to the public except for a designated observation area.

Directions:

From Paducah - Take US 60 west to Barlow, then go west on either Holloway Landing Road or Gum Corner Road.

From Wickliffe - Head north on US 51 and turn right onto either Gum Corner Road, Swan Lake Road, or East Cairo Landing Road.

General Guidelines:

All specific information on area use for hunting, fishing, and other activities can be found in one of the many guides published by the Kentucky Department of Fish and Wildlife Resources or by calling 1-800-858-1549.

1. Vehicles must remain on maintained roads.
 2. Parking is limited to areas provided near gates and gravelled areas.
 3. Do not block gates or access roads.
 4. Access beyond gates is by foot travel only.
 5. No ATVs, camping, open fires, or horseback riding is permitted on WMAs. Except ATVs are allowed on designated ADA areas with proper permits and horseback riding is allowed on designated horseback riding trails as marked on the map. Not all WMAs have ADA areas or horseback riding trails.
 6. Access to the WMA across private land is by landowner permission only.
 7. Please respect private property. Area boundaries are marked by signs and yellow paint.
 8. Hunters shall not discharge a firearm within 100 yards of a boat ramp, a residence, or occupied building. This applies whether or not the building is on the WMA.
 9. Please refer to the current Kentucky Hunting and Trapping and Sport Fishing and Boating Guides for hunting, fishing and boating information.
